# My Hair

"I had a very severe sickness that took off all my hair. I purchased a bottle of Ayer's Hair Vigor and it brought all my hair back again."

W. D. Quinn, Marseilles, Ill.

One thing is certain,—Ayer's Hair Vigor makes the hair grow. This is because it is a hair food. It feeds the hair and the hair grows, that's all there is to it. It stops falling of the hair, too, and always restores color to gray hair.

\$1.00 a bottle. All druggists.

If your druggist cannot supply you, send us one dollar and we will express you a bottle. Be sure and give the name of your nearest express office. Address, J. C. AYER CO., Lowell, Mass.

Mrs. F. C. Ferry has returned to her home in Louisville, after spending two weeks with her parents, Mr. and Mrs. E. H. Miller.

The ladies of the Baptist and Methodist churches will give an ice cream supper next Saturday night, Aug. 15, in Mrs. Kate Jarrett's diningroom. The room will be well lighted and nicely seated. Everybody cordially invited to be present.

We were pleased to see such a large crowd at prayer meeting Sunday night. They should continue to attend with prayer for the success of the protracted meeting that is to commence at the Baptist church on the first of October and there is no reason why our Sunday-school should not have a better attendance and take more interest in the teaching of the Lord's work.

Mrs. Mollie Allen, of South Fork, Ky., says she has prevented attacks of cholera morbus by taking Chamberlain's Stomach and Liver Tablets when she felt an attack coming on. Such attacks are usually caused by indigestion and these Tablets are just what is needed to cleanse the stomach and ward off the approaching attack. Attacks of bilious colic may be prevented in the same way. For sale by Short & Haynes.

# WOMAN'S WORK.

Exhibited at State Fair, Owensboro

Prizes Amounting to \$750.

are Offered

THERE WILL BE FINE DISPLAYS

True to the reputation which Kentuckians have long since established for gallantry towards their "women folks" the Executive Committee of the State Fair has certainly dealt most generously with them in awarding the Premium list in the Woman's Department.

Not only are the premiums the largest offered by any State in the Union (\$750.00 having been allotted to this one department), but so wide is their scope and so broad their purpose to reach every class, that one may be well repaired by a careful study of the lists.

The practicable, sensible woman of our rural or mountain sections from whose sturdy looms come the beautiful woven counterpanes and artistic rag carpets whose merits are being more and more appreciated; the deft fingered art workers of our cities with their finely laces and exquisite embroideries, are all remembered. In whatever direction one's talent may lie, she will find in this catalogue an incentive to exhibit her best work.

Not alone in needle work, either; for that road which is said to lead most directly to a man's heart, the culinary highway, is quite generously provided for. Bread, cake, preserves, jellies, pickles, all are there, with abundant scope for the display of one's skill in many directions.

Another striking feature to which attention should be called is the Sweepstake Premium offered as an inducement to exhibit as many different articles in each class as one may be able. To the one who receives the largest number of premiums in any class, special premiums of \$10.00 is awarded, making it worth one's while to enter as great a variety as possible.

Nor are the children forgotten, for there is a special list for them, where they may exhibit their best dressed dolls, their raffia work, scolloping, or any other handicraft in which they may excel.

To any one who may feel interested, the secretary of the association, Mr. L. B. Shropshire, Board of Trade Building, Louisville, Ky., will gladly mail catalogues upon application, and it is earnestly hoped that the women of our State may find both pleasure and profit in making their department a success.

# WALLACE CIRCUS IN WRECK.

Special Trains Collide, Killing Twenty-one and Injuring Over a Dozen.

An air brake on the second section of Wallace Bros' circus train refused to work in the Grand Trunk railway yards at Durand, Mich., early Friday morning, causing a collision between the two sections, in which twenty-one people were killed and over a dozen were injured. The first section, on its way to La Peer, pulled into the west end of the Grand Trunk yards at 3:43 o'clock in the morning. A red light was hung on the rear car to stop the second section. The engineer of the rear train saw the light, but when he applied the air brake it refused to work. He reversed the engine but the momentum of the train carried it on to the first section, telescoping three cars of the stationary train and demolishing the engine and five cars of the moving train. Twenty-one men, trainmen and circus employees, were killed and about a dozen injured. One elephant and two camels also were killed.

This is the second wreck Wallace Bros' circus has had since it showed in Cloverport July 8, the first, several weeks ago, resulting in injuries to a number of employees.
